

Iron County Solid Waste Container Guidelines

For all sw2 cans including 300 gal. back cans and 30 yd. metal containers

IF A HOLIDAY FALLS ON YOUR NORMALLY SCHEDULED COLLECTION DAY IT WILL BE PICKED UP THE FOLLOWING DAY OF THE WEEK.

This container is for household waste only; Each Household is entitled to 90 gal of space. Large bulky item should not be placed in can like big boxes, mattresses, appliances, tires, paints, oils, and batteries. To be emptied the waste must be inside the container with the lid closed. Containers with waste stacked around them or with waste stacked on top with the lid open will not be emptied. This is due to the mess made while trying to empty the container. **All waste needs to be bagged to prevent blowing and spilling.** Containers with waste that is compacted or boxed will not allow contents to completely empty.

Fines up to \$1000.00 for illegal use of this can. IRON COUNTY CODE 8.08.180

The Iron County Landfill is located west of Cedar City at 3127 North Iron Springs Rd. there is no charge for Iron County Residents for the disposal of household or yard waste. The Landfill does charge for construction related materials, remodeling materials, and commercially generated waste.

Thank you for your cooperation. Please feel free to call the Iron County Landfill at 435-865-7015 with any questions.
